TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,

SIR: I have the honor to transmit herewith, for the favorable consideration of Congress, copy of a communication from the Treasurer of the United States, of the 6th instant, requesting that an amendment be made to the legislative, executive, and judicial appropriation bill relating to the force of his office in line 10 of page 47 so as to provide for 9 *expert counters*, in lieu of 9 clerks, at \$700 each.

The PRESIDENT OF THE SENATE.

TREASURY DEPARTMENT,
OFFICE OF THE TREASURER OF THE UNITED STATES,
Washington, D. C., February 6, 1904.

SIR: Request is submitted that a recommendation be presented to the Committee on Appropriations in the United States Senate that the words "expert counters" be substituted for the word "clerks" in line 10 of page 47 of the legislative, executive, and judicial appropriation now pending before that committee. The change is simply verbal to conform with the duties of the employees for whom provision is made, but it is desirable in order to make clear the line
